

# Close to you

## All day long

We know how difficult it is for you to be away from your child during the workday. But with a La Petite Academy within five miles of your workplace, there's no reason he can't be close by. So while you are working, he will be just around the corner learning, playing, and making friends. And with our open door policy, you are welcome to visit your child during the workday for lunch, story time, or just to give him a hug.

We invite your child to spend a free week with us to show you what La Petite Academy has to offer him this fall. Visit our website at **www.LaPetite.com** to schedule a tour at the Academy nearest your workplace. There, the Academy Director will be happy to introduce you and your child to his classroom, his teacher, and our first-rate curriculum.
